ChanMyaTharzi, Mandalay, Myanmar

A passionate developer who loves building user-friendly and visually appealing websites. I am a fast learner with a knack for problem-solving, constantly seeking ways to enhance my web development skills. Proficient in ReactJS, ReactNaitve, NextJS, and NodeJS, I thrive in team settings and excel in communication. I am eager to join a dynamic team to collaborate on exciting projects and create exceptional web experiences.

## Work Experience

### Frontend Developer

Jun 2024 - Present

*Xanit | Remote*

- Developed and maintained E-commerce website for highly responsive and interactive user interfaces for both customer-facing and admin-facing sites using Next.js, ensuring optimal performance and scalability across various devices and platforms
- Collaborated closely with backend developers, designers, and product managers to translate business requirements into technical specifications, delivering seamless and user-centric web experiences across both platforms.
- Utilized modern JavaScript, TypeScript, and React libraries to build reusable components, ensuring code consistency and maintainability across the project.

### Junior Full-Stack Developer

Sep 2023 - Jul 2024

*Ultimate Lifestyle | Remote*

- Contributed to the development of a dynamic and responsive learning platform, enhancing the user experience for both administrators and students.
- Developed with NextJs, ReactNaitve, NodeJs, and MongoDB. 1/3
- Continuously learned and grew in a collaborative and innovative team environment.
- Successfully completed tasks on time and ensured effective team communication even while working remotely.

### Frontend developer Intern

Aug 2023 - Sep 2023

*Remote*

Collaborated with designers and back-end developers to translate UI/UX designs into pixel-perfect web applications.

- Developed and maintained responsive web pages using NextJs.
- Assisted in debugging and troubleshooting front-end issues.
- Stayed up to date on emerging front-end technologies and trends.

## Core Skills

Frontend, Backend, Library, State Management, ReactJs, Node.js, TailwindCss, Redux-Toolkit, ReactNaitve, Express, Material-UI, Zustand, NextJs, Shadcn-UI

## Education

### FullStack Developer

Dec 2022 - Jul 2023

Msquare Programming
